

An aerial photograph of a large, modern, multi-story school building with a light-colored facade and a central entrance. The building is surrounded by a paved area with parking spaces and some greenery. The text 'Welcome to' is overlaid in large black font at the top. Below it, the school's name 'EtonHouse International School' is displayed in a mix of grey and red fonts. Further down, the location 'Broadrick Road IB World School' is written in black. The event title 'New Families Orientation' and the date '16th August 2024' are also in large black font. A red banner at the bottom contains the website URL.

PARTNERSHIP WITH PARENTS

- Build a strong partnership with the teachers, teaching assistants and other staff.
- Talk to your child about their learning in class, read the class posts on Bloomz and latest updates in the Principal's newsletters.
- Join in the School Celebrations, open Assemblies, Showcase Units and Parent meetings.
- Share your expertise. We need you for our UOI, Celebrations and other learning engagements.
- Be a part of our vibrant Parent School Association, a community led by parent volunteers.
- Feel free to email any questions and feedback to our team.

At EtonHouse, inquiry means **creating the environment and providing the stimuli** to inspire learners to **actively think** and engage with learning opportunities to realise their **full potential**.

International Baccalaureate Mission Statement

“The IB develops inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through education that builds intercultural understanding and respect.”

Our Learners strive to master these **IB Learner Profile** attitudes;

- Caring
- Knowledgeable
- Open-minded
- Inquirers
- Principled
- Communicators
- Thinkers
- Reflective
- Courageous
- Balanced

Reggio Emilia Approach

“The Reggio Emilia Approach® is an educational philosophy based on the image of a child with strong potential for development and a subject with rights, who learns through the hundred languages belonging to all human beings, and grows in relations with others.”

Principles of the Reggio Approach:

- Presence of a plurality of educators and teachers with children
- The inclusion of an Atelier (Arts background teacher)
- In-school kitchens
- Using the environment as educator
- Documentation of the creative knowledge processes
- Collaboration between the the pedagogical group
- The participation of families
- Constructivist approach to learning (learn through doing)

CURRICULUM APPROACH

The Learner Profile

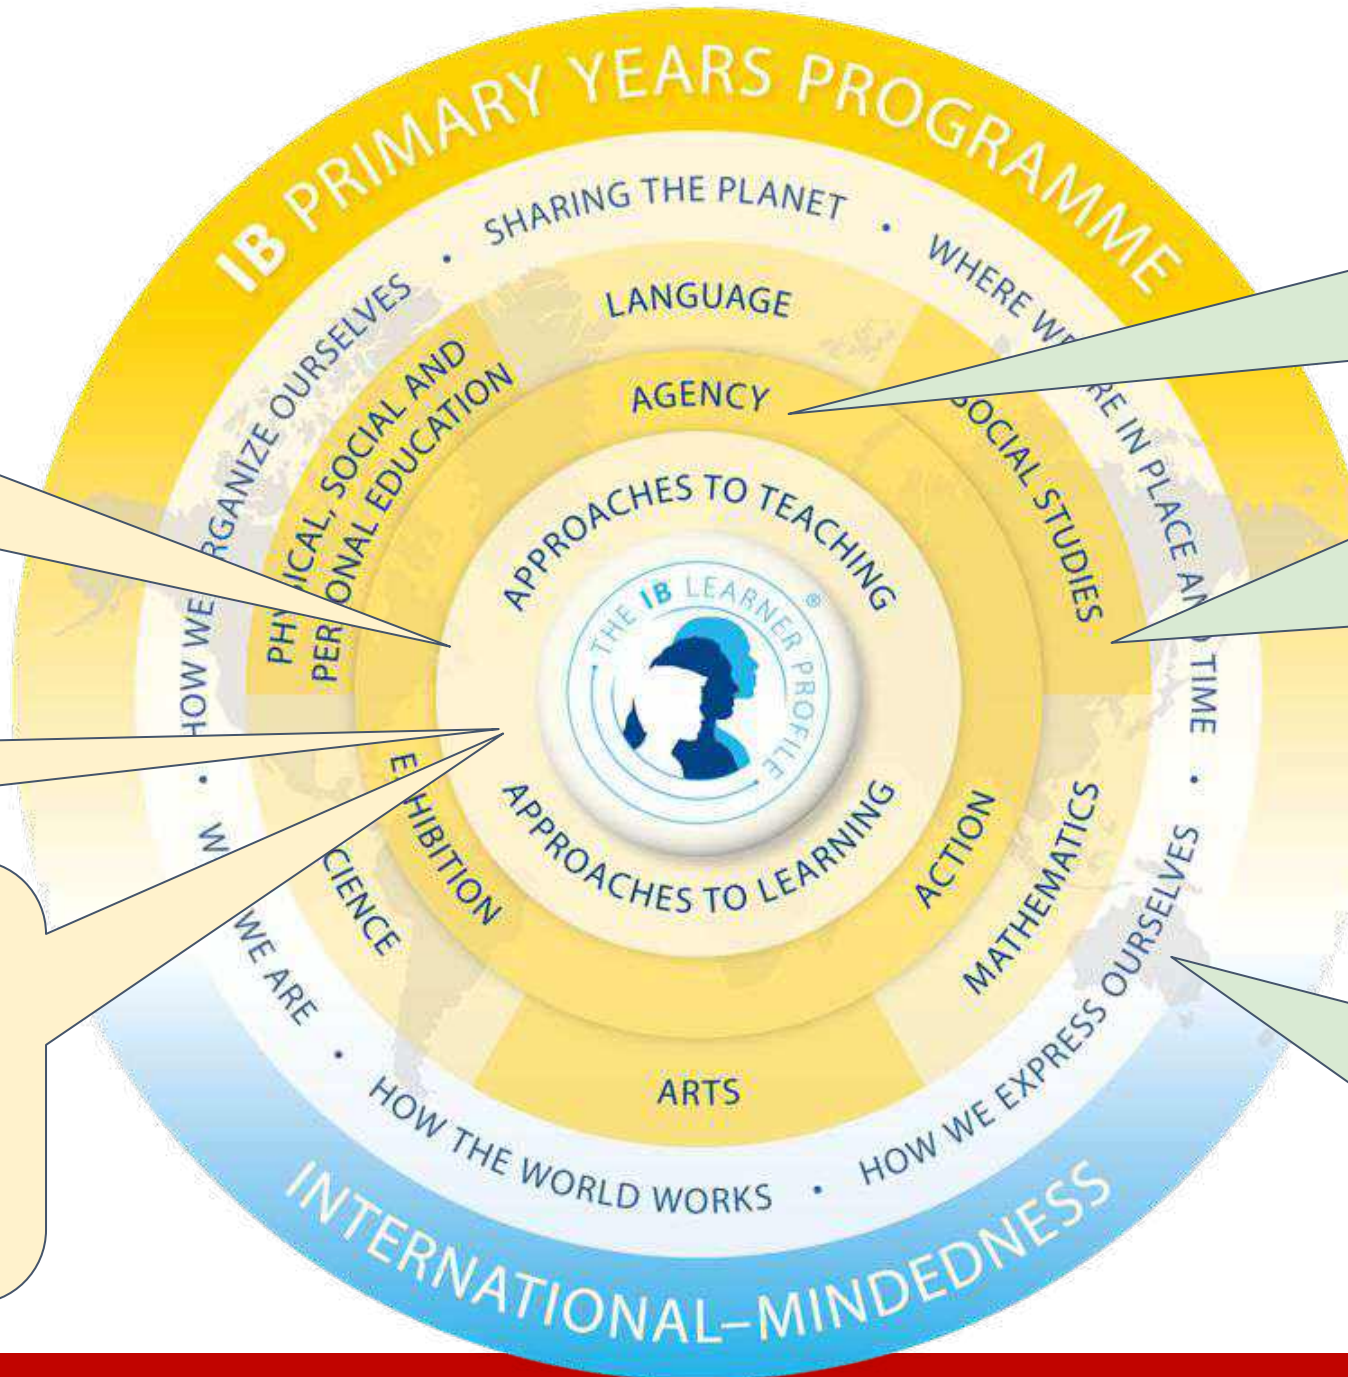

10 Attitudes that IB schools encourage, develop and acknowledge to create Internationally Minded & Life-long learners.

Inquiry Approach to Learning & Teaching

Approaches to Learning Skills

The IB Transdisciplinary Themes
These are 6 themes that organise the delivery of the Subjects.

Transdisciplinary Approach

Our teaching approach is a combination of 3 different approaches. The most common lessons are Transdisciplinary where we will teach concepts and outcomes from multiple subjects through 1 learning experience.

For example;

A survey about how we travel to school involves;

- English communication skills to write & ask questions.
- Maths to tally and represent the data we collect
- Social Studies to analyse the data to make conclusions about different transport systems used in our community.

Intradisciplinary

Multidisciplinary

Transdisciplinary

Not that tasty....

one ingredient. No mixing required.
Single subjects taught independently.
No opportunity to show understanding of concepts or a central idea across disciplines (Subjects).

Multiple ingredients. No mixing required.
Still teaching lessons as individual subjects, but addressing the same Theme.
Limited opportunity to show understanding of a concept or central idea across disciplines (subjects).

Multiple ingredients. Mixing, folding & cooking required.
Using a central theme to teach learning experiences and inquiries that require learners to use knowledge and skills from multiple subjects.
Students are required to use multiple disciplines (subjects) to show understanding of a concept or central idea.

very, very tasty!
